

Natural Balance Charity Rebate Program

Help Us Help Our Animals!

Over the years Natural Balance® customers have helped our animals and now here's how you can help.

Cut out the UPC code from the specified size Natural Balance® bagged food, case of canned food, 2.5 lb or 4 lb roll purchased from your retailer and attach it to the register receipt as a proof-of-purchase (see the website link below for the chart for explanation of rebates).

Please donate the UPC and receipt* to Central Florida Pug Rescue - it's just like donating money. When we have collected 50 UPC codes, we will send them to Natural Balance® and we will receive a check made out to Central Florida Pug Rescue.

That's Natural Balance®'s way of showing how much we care. Most importantly, we're all helping homeless, abused and neglected animals everywhere!
